

Student Guide to Choosing an Education Agent

Choose Your Education Agent with Confidence

Your education. Your future. Your choice.

1. Check the agent's relationship with the university:

- ☐ Does your university recognise the agent?
- ☐ Make sure the agent is a verified or recognised recruitment partner of the university or institution that you're applying to.

2. Know What Support You Will Receive

Have your agent make it clear the services he or she offers, including:

- ✓ **Course & university guidance**
- ✓ **Application support**
- ✓ **Student finance guidance**
- ✓ **Advice on visa requirements provided.(if applicable)**
- ✓ **Pre-enrolment support**

Ensure you know which elements you are getting and which ones you are not.

3. Be Clear About Fees

Ask before you agree.

Check if there are any fees associated with the agent's services, and if there are any extra charges. Also Check for student finance eligibility before start admission processing with the

agent.(UK home students only)

It is important to know the costs before making a commitment.

✓ **4. Check Your Eligibility**

Make sure you give full and correct details of your app

- ✚ **Nationality**
- ✚ **Residency**
- ✚ **Education**
- ✚ **Immigration status**
- ✚ **Financial circumstances**

❖ **Note:** An education agent is not responsible for determining eligibility for student finance or other funding. Eligibility is determined by the appropriate authority, such as Student Finance England, or by the university for scholarships.

🔒 **5. Protect Your Personal Information**

☼ It is important to you that your personal information is important.

👉 **Only submit necessary documents and information that are required to make your application.**

? Ask: Where will my data go and how will it be used and presented?

🚫 **6. Beware Of Unrealistic Promises**

There is no reputable agent can guarantee an outcome that they do not control

☼ Beware of anyone who says:

- ✗ Confirmation of University admission
- ✗ Student finance approval confirmation
- ✗ Visa approval confirmation
- ✗ Employment confirmation
- ✗ A specific financial outcome

👉 **The decision on university admission is made by universities.**

👉 **The financing is decided by the authority concerned.**

📁 7. Keep Your Own Records

Please always keep a copy of your

- **Application**
- **Documents**
- **Emails/correspondence**
- **Agreements**
- **Receipts – payments**

👉 **Record-keeping will keep you well-informed and safe.**

❓ 8. Ask. Understand. Then Decide.

Don't be afraid to ask questions.

Before enrolling, you should know:

- 🎓 **Your course**
- 💻 **Tuition fees**
- 💰 **Funding arrangements**
- 📅 **Attendance requirements**
- 📄 **Terms & conditions**

👉 **Don't feel pressurized to enter choices you don't comprehend.**

📝 9. Your Consent Matters

👉 **Student consent is required**

An application to the university agreed to by the student should only be made by an agent with the appropriate consent of the student.

Our Commitment to Students

Clear Information • Responsible Guidance • Student Choice

Our role as an education and student recruitment agency to the UK university's to provide students with information which is clear, accurate and appropriate throughout their application process.

We will help those who qualify for funded study to apply to these programmes and help students from other countries who want to study in the UK through self-funded study opportunities.

We Encourage Every Student To:

- ✓ Check official information
- ✓ Don't commit until you have asked questions
- ✓ Learn all of the costs and conditions
- ✓ Provide accurate information
- ✓ Maintain records of key documents.
- ✓ Make informed choices with regards to their studies

Please Remember

Your Agent Can Guide You — But Cannot Guarantee The Outcome.

- ☐ University admission → University decision
- ☐ Student finance → Relevant funding authority decision.
- ☐ Visa decision → Relevant immigration authority decision.

Your Future Starts With an Informed Decision
